Ford Parts Cheviot Stages Rally 2023 – Notice of Cancellation

Following our announcement on the 15th May that the 2023 Ford Parts Cheviot Stages Rally would not take place on the Otterburn Ranges, as a result of the MOD withdrawing our permission to use the ranges due to their increased training requirements, the organisers from Whickham & DMC and Hadrian MSC have explored the possibility of running the event at an alternative venue in the North East on the original event date of the 22nd October. These efforts have unfortunately proved unsuccessful and the decision has therefore been made to formally cancel the Ford Parts Cheviot Stages Rally for 2023.

It is our intention to run the 2024 event on the Otterburn Ranges again but this is obviously dependant on the security situation at the time and the MOD granting permission for us to use the ranges. When the non-firing weekend dates are published for 2024 we will look to run on the September weekend and will announce this date to all parties in due course.

As one of the longest running North East motor sport events, we are extremely disappointed that we are not able to run The Cheviot this year and would like to thank all who have supported the event in the past and hope for your continued support in the future.
